BREEDING RIGHT AGREEMENT The Mare Owner hereby confirms a reservation to the stallion for the year 2019. The breeding right is sold with a Two Year Term on a Live Foal Guarantee. Mare is booked specifically by name. The booking may not be transferred to another mare without the prior written consent of GK Performance Horses (GKPH). If the semen is used on a mare not named in this contract without GKPH consent, this contract and all of its guarantees become null and void. If the mare, or her substitute, does not conceive within the term of the contract, the Mare Owner must enter into a new contract in order to continue breeding, and may pay additional breeding right fees.

CONDITIONS

1. Breeding season at GKPH begins March 1st and ends July 15th each year. THESE DATES ARE ESTIMATIONS. PLEASE CONTACT US AT LEAST 1 WEEK AHEAD OF TIME AND WE CAN UPDATE YOU ON OUR CURRENT SCHEDULE. Extensions to this season are not guaranteed but will be considered on a case by case basis.
 - a. Collections Monday-Saturday excluding Holidays.
 - b. Please contact us ahead of time for a current show schedule since our stallions may be traveling at the time.
 - c. IF LESS THAN 24 HOURS NOTICE IS GIVEN FOR A COLLECTION YOU MAY BE CHARGED AN ADDITIONAL RUSH FEE.
2. Mare Owner agrees to observe protocol for shipment of Fresh Cooled semen as determined by GKPH. GKPH cannot guarantee shipment of semen if the request is not received 24 hours before the day of the collection.
3. GKPH assumes responsibility only to deliver Fresh Cooled semen from the herein named stallion in viable condition at the time of dispatch to Mare Owner. Mare Owner is responsible for picking up the container at the shipping destination and delivering it to the insemination site if the shipping service does not deliver directly to that site. Semen must be handled and administered by a licensed veterinarian who is experienced in the practice of artificial insemination on the same day that the delivery is made to the Mare Owner. The veterinarian must record all inseminations.
4. Mare Owner agrees that GKPH will not be held responsible for shipments lost, delayed or damaged do to shipping mishaps, interruptions, or similar uncontrollable situations.
5. Any attempt to obtain a pregnancy with the semen in any other mare other than the one herein named will result in forfeiture of all stud fees, balance of shipping fees, collection deposit and the right to a breeder's certificate on the mare herein named.
6. Should GKPH fail to deliver live cooled viable semen from the stallion herein named on the correct date, or if a licensed veterinarian determines upon examining the semen, using proper procedures, that the semen is not viable for breeding purposes, the Mare Owner will be entitled to one (1) additional shipment

of semen free of charge. Mare Owner's veterinarian will contact GKPH within 24 hours to report this situation and provide necessary details as requested. Reports from anyone not a licensed and qualified veterinarian will not be accepted.

7. Mare Owner must ensure the healthful condition and breeding soundness of the mare prior to insemination. GKPH can make no guarantees of pregnancy on any mare of any age.
8. Mare Owner must have mare checked for pregnancy by a licensed veterinarian at 14 to 16 days and again at 60 days after the last insemination, and must inform GKPH of the mare's pregnancy status
9. If the mare dies prior to insemination or if after examination by a licensed veterinarian is found unfit to breed, another mare may be substituted with the prior written consent of GKPH, with the same terms and conditions of this contract applying.
10. Important: Written notice of loss of any pregnancy after the sixty (60) day check is required within ten (10) days of veterinary examination in the form of a Veterinarian's Certificate in order to receive return privileges.
11. This contract carries a live foal guarantee. If the mare herein named, or the mare substituted, fails to produce a foal that cannot stand and nurse, the Mare Owner will be entitled to a return breeding in the following season, provided GKPH is presented with a Veterinarian's Certificate outlining the details of the failed pregnancy or foal's death within ten (10) days of its occurrence. Failure to provide the Veterinarian Certificate within ten (10) days may nullify guarantee for the term of the contract and GKPH reserves the right to deny return or rebreed privileges.
12. If the Mare Owner chooses to exercise the option to rebreed in a subsequent breeding season, the Mare Owner is responsible for the current season's shipping costs, lab fees, current season booking (rebreed) fees, and collection fees, as these costs may be adjusted in breeding seasons subsequent to the present one. Mare Owner also remains subject to all the terms and conditions of this contract.
14. In the event that the Mare is sold after breeding, no return privileges shall be made to the purchasing party.
15. The foregoing notwithstanding, this contract may be extended for one (1) additional year if, in year one, a full term foal is born but is unable to stand and nurse.
16. GKPH will not guarantee the health and vitality of any foal beyond its ability to stand and nurse.

DEATH, SALE OR UNFITNESS OF STALLION

In the event that Stallion dies, is sold, or in any way becomes unfit for service prior to servicing mare, the stud fee and/or deposits paid will be returned in full. Mare Owner is not entitled to any refund if the stallion should die, is sold, or becomes unfit for service in any contracted season after having serviced the Mare Owner's mare at least twice during that season.
