BREEDING RIGHT AGREEMENT The Mare Owner hereby confirms a reservation to the stallion for the year 2019. **There is NO live foal guarantee. There shall be no refund of the Purchase Price.** Mare is booked specifically by name. The booking may not be transferred to another mare without the prior written consent of GK Performance Horses (GKPH). If the semen is used on a mare not named in this contract without GKPH consent, this contract and all of its guarantees become null and void. If the mare, or her substitute, does not conceive within the term of the contract, the Mare Owner must enter into a new contract in order to continue breeding, and may pay additional breeding right fees.

CONDITIONS

1. Frozen semen is available year round.
2. Mare Owner agrees to observe protocol for shipment of Frozen semen as determined by GKPH.
3. GKPH assumes responsibility only to deliver Frozen semen from the herein named stallion in viable condition at the time of dispatch to Mare Owner. Mare Owner is responsible for picking up the container at the shipping destination and delivering it to the insemination site if the shipping service does not deliver directly to that site. All transportation costs for the semen shall be the responsibility of the Mare Owner. Owner agrees that shipping container shall be returned/mailed within 3 days of receipt to facility/address listed on return label. Semen must be handled and administered by a licensed veterinarian who is experienced in the practice of artificial insemination on the same day that the delivery is made to the Mare Owner. The veterinarian must record all inseminations.
4. Mare Owner agrees that GKPH will not be held responsible for shipments lost, delayed or damaged do to shipping mishaps, interruptions, or similar uncontrollable situations.
5. Any attempt to obtain a pregnancy with the semen in any other mare other than the one herein named will result in forfeiture of all stud fees, balance of shipping fees, collection deposit and the right to a breeder's certificate on the mare herein named.
6. Mare Owner must ensure the healthful condition and breeding soundness of the mare prior to insemination. GKPH can make no guarantees of pregnancy on any mare of any age.
7. Mare Owner must have mare checked for pregnancy by a licensed veterinarian at 14 to 16 days and again at 60 days after the last insemination, and must inform GKPH of the mare's pregnancy status
8. If the mare dies prior to insemination or if after examination by a licensed veterinarian is found unfit to breed, another mare may be substituted with the prior written consent of GKPH, with the same terms and conditions of this contract applying.

9. GKPH assumes no responsibility for any loss or damage to the Mare. Owner shall assume all responsibility for the condition of the Mare and shall bear risk of loss or damage to the Mare whether by death, disease, injury, infection, or otherwise. Owner further agrees to indemnify and hold harmless, GKPH, for any and all damages and liability.
10. In the event that the Mare is sold after breeding, no return privileges shall be made to the purchasing party.
